Coastline Community College
Associate in Arts in Supervision and Management (AA-SM)
SOCAD-2 Network: General Business
All Sites: Distance Learning
Career NCO Degree

DEGREE OBJECTIVE — The purpose of this degree is to obtain proficiency in supervision and management, in order both to enhance a soldier's military proficiency and to provide the academic foundation for transfer to a bachelor's degree program at a four-year institution. This program is designed for military students to allow the maximum credit in military experience (up to 40 semester hours) and to provide the quickest pathway to an associate degree. It will transfer 100% into several select bachelor degree programs.

The Career NCO Degrees Program, part of the U.S. Army Training and Doctrine Command's (TRADOC) College of the American Soldier, is designed to expand existing civilian education choices for NCOs to provide them with degree options that will enhance their leadership capabilities while maximizing college credit granted for military experience and NCO training. Business- and management-related degrees designated as ""Career NCO Degrees"" support TRADOC's pentathlete concept (leadership, supervision, management, and project management skills).

ACADEMIC RESIDENCY - 12 Semester Hours

Total Credits			**60 SH**							

Notes:

1) An “X” in a column indicates that the Institution guarantees to accept credit from the source shown for at least part of the requirement.

2) This column indicates whether a school accepts transfer credit for courses taken through distance learning. It does not mean that the school offers the course through distance learning.

3) A maximum of 40 semester hours can be awarded for non-traditional coursework (i.e., CLEP/DSST, military experience, etc.).

** MCOM C100 or CMST C150 may not be used to satisfy more than one general education requirement.

Career NCO Degrees Program

Based on current versions of Army training, Coastline Community College will award credit based on two training pathways: 1) 31 SH if a Soldier has completed Combat Basic Training and NCO Leaderships schools including US Army Sergeants Major (resident course) (AR-1408-0148), OR 2) 27 SH if a Soldier has completed Combat Basic Training and NCO Leadership Schools including US Army Sergeants Major Non-Resident Course (AR-1408-0328). NCO Leadership Schools include Warrior Leader, Battle Staff, BNCOC Common Core, First Sergeant, and either US Army Sergeants Major (resident course) (AR-1408-0148) or US Army Sergeants Major Non-Resident Course (AR-1408-0328). Actual credit awarded is based on a review of the Soldier's JST transcript. Contact college POC for more information.

As a college with a Career NCO Degree, Coastline Community College will contact a Soldier selecting the degree and Coastline Community College as his or her home college as soon as GoArmyEd notifies the college. The college will discuss how credits from military schools will apply to the degree chosen by the Soldier and will advise the Soldier about which courses to take. Once the college has received a Soldier's JST transcript and related educational information, the college will conduct a formal assessment of the Soldier's prior learning and will complete a SOCAD Student Agreement in accordance with SOCAD policies and GoArmyEd portal requirements. This official college degree plan will become part of the Soldier's GoArmyEd file.

Date effective:	1-Apr-16
Term effective:	T620
